STATEMENT BY ROBERT A. JANSSEN UNDER 37 C.F.R. §1.48(a)

Assistant Commissioner of Patents & Trademarks
Washington, DC 20231

Sir:

I, Robert A. Janssen, state:

The above-identified patent application, as filed, erroneously named only Frank J. Kronzer as inventor.

This error in inventorship occurred without deceptive intent on my part.

I believe I was not named as an inventor because of an inadvertent error of omission. I collaborated and contributed to the subject matter of the present invention. Frank J. Kronzer and I all work for the same company. However, I work in a separate technology unit than Frank J. Kronzer. Since I work in a separate area, I was not involved with the preparation of the present application and therefore did not realize that I had been omitted as a co-inventor.

Frank J. Kronzer also worked on several other related projects to which I did not contribute. Because there were other related projects, Frank J. Kronzer did not realize I had been omitted as a co-inventor until after the present application had been filed.

I now wish to be named as a joint inventor in the above-identified patent application.
